ABOUT US

AMEA

ALLIANCE MACHINERY AND EQUIPMENT APPRAISALS

Alliance Machinery and Equipment Appraisals is a leading, independent, company that specializes in the appraisal of machinery and equipment. We do not appraise real estate, works of art, or collectibles. We specialize in machinery and equipment appraisals and have the training, experience, and resources to provide you with a Certified, Machine and Equipment Appraisal that meet the Uniform Standards for Professional Appraisal Practices (USPAP) guidelines that will withstand scrutiny by the courts, attorneys, the SBA, and the IRS.

Our principal appraiser, John Coto, has earned the designation of Certified Machinery and Equipment Appraiser by the NEBB Institute, one of the nationally recognized education and accreditation organizations. Mr. Coto has been recognized and accepted as an Expert Witness in court. He personally oversees all of our appraisal services.

CODE OF "ETHICS & COMPETENCY" AWARENESS PROGRAM

The purpose of the program is to protect the public from unsubstantiated or questionable machinery and equipment appraisals. Our seal serves to alert the public to the documentation we know is necessary to prove that an appraiser is competent. This assures an appraisal will be substantiated, accurate, irrefutable, defensible and will withstand scrutiny.
